

Portland Beavers vs. Tacoma Rainiers

Thursday,
August 27th

TechPower Solutions, HP and VMware are teaming up to host a technology forum @ PGE Park. We will be discussing HP Thin Clients integrated with VMware virtualization and virtual desktop infrastructure. See how these solutions tie into the all-inclusive concept of Centralized Desktop Management.

We invite you to join us and watch the Portland Beavers take on the Tacoma Rainiers. After the presentations we will watch the game from a PGE Park suite. Dinner, cold beverages, and tickets are included.
